### **Your Hill Fort needs you!**

Did you know that one of your local hills has the remains of an Iron Age settlement on its summit, dating back around 2,500 years? Did you know that from the top of the hill you can see many more hillforts, dating back to the same time?

On December 5th, we will be heading for the hills, involving local people within the vicinity of ten hillforts on Cheshire's Sandstone Ridge, the Clwydian Range, Halkyn Mountain and the Wirral, in an experiment to try and communicate between the hill forts using light and we need your help! Places are strictly limited, so to register to help as a volunteer for your local hillfort, visit [www.heatherandhillforts.co.uk](http://www.heatherandhillforts.co.uk) or [www.habitatsandhillforts.co.uk](http://www.habitatsandhillforts.co.uk) 'Glow'
